From: Christian Hamer, Chief Information Security Officer
Subject: Thank you to Ozde Mirnuman for responsibly reporting vulnerabilities
Date: November 12, 2019

HUIT Information Security would like to thank Ozde for responsibly reporting exposed Mongo DB credentials along with instructions for reproducing the problem.

Harvard appreciates responsible reporting of information security issues impacting our systems and networks.

Thank you, Ozde!

Sincerely,

A handwritten signature in black ink, appearing to read 'Christian Hamer', with a long, sweeping horizontal line extending to the right.
